Anna

Never alone

Anna is FOR

-> People to do things together

-> Celebrate together

-> Meet new friends

Problems to SOLVE

-> Event planner?

    - hard to find, complicated

-> Posters / invitation

    - costly, time consuming

-> dating apps

What we WANT

-> Fast, simple, easy

-> Human Centric

-> Scaleable.

-> Cross platform ex. Messenger, Skype

Therefore we build a

Chatbot

Anna finds you people when...

> You want to buy food for your friends…

> You want to go camping and wondering who…

> You want to group buy…

> You want to share your story and skills…

Anna

Demo

Challenges

-> UI / UX

-> Natural language Processing

-> Complicated relationships

-> Facebook Cards

-> LUIS from MS

-> Mongodb flexibility

in 24HR

Potential

-> Integration with:

    -> Grasp: Find classamtes and classes to take

    -> Food Mapper: Create city adventures using different food

More convenient

Anna

I'm Anna, You'll never be alone.
